*If you need guided tours at the tourist sites, please book in advance!*

### **1. Lūznava Manor**

Lūznava Manor is an art nouveau gem of Latgale, built in the early 20<sup>th</sup> century as a place for art and music. The manor had to go through many historical changes: there was a school, a military headquarters, a school again, a rural municipality administration and a library. In 2015, after a large-scale reconstruction, the manor reborn anew to inspire and become a true home for MUSE.

### **2. The Roman Catholic Church of Archangel Michael in Zosna**

The current building of the wooden church in Zosna was built in the 1800<sup>th</sup>, Ignatius Rīks is considered to be its builder. In 1882, the church underwent a major reconstruction, it was enlarged and a two-level tower was built. The most significant monument of art is the icon of the Most Holy Theotokos, dating from the 18<sup>th</sup> / 19<sup>th</sup> century.

### **3. Zosna Manor**

The construction of the Zosna Manor began in 1820 with the so-called "coachman's house". Later, in 1870, the manor house was built and in 1880 the steward's house was built. The manor house (state protection No. 5827) was built in the historical style by order of the Golitsyns, belongs to a rare wooden half-timbered type of buildings in Latgale.
